Dear Madam/Sir,

Sub: Request for Reconsideration of Educational Qualifications for the  
Post of Technical Officer

Ref: Promotion Notice No. IITM/RA/6/2014 dated 07-08-2014 &  
Promotion Notice No: IITM/RA/3/2018 dated 20-06-2018

I am writing to bring to your kind attention a matter of concern regarding the changes in the minimum educational qualifications prescribed for the post of Technical Officer (Level 10, PB-3, Grade Pay Rs. 5400), as per RPN 2019.

Under the earlier provisions of RPN 2013, the minimum educational qualification required for this post was a Diploma in Engineering along with 10 years of experience in the Grade Pay of Rs. 4600. However, RPN 2019 has revised this requirement, now mandating a B.E., B.Tech., or M.Sc. qualification with 8 years of experience in the same grade pay.

This change has significantly impacted the career advancement prospects of diploma holders, including myself, who were already on a career path under RPN 2013 norms.

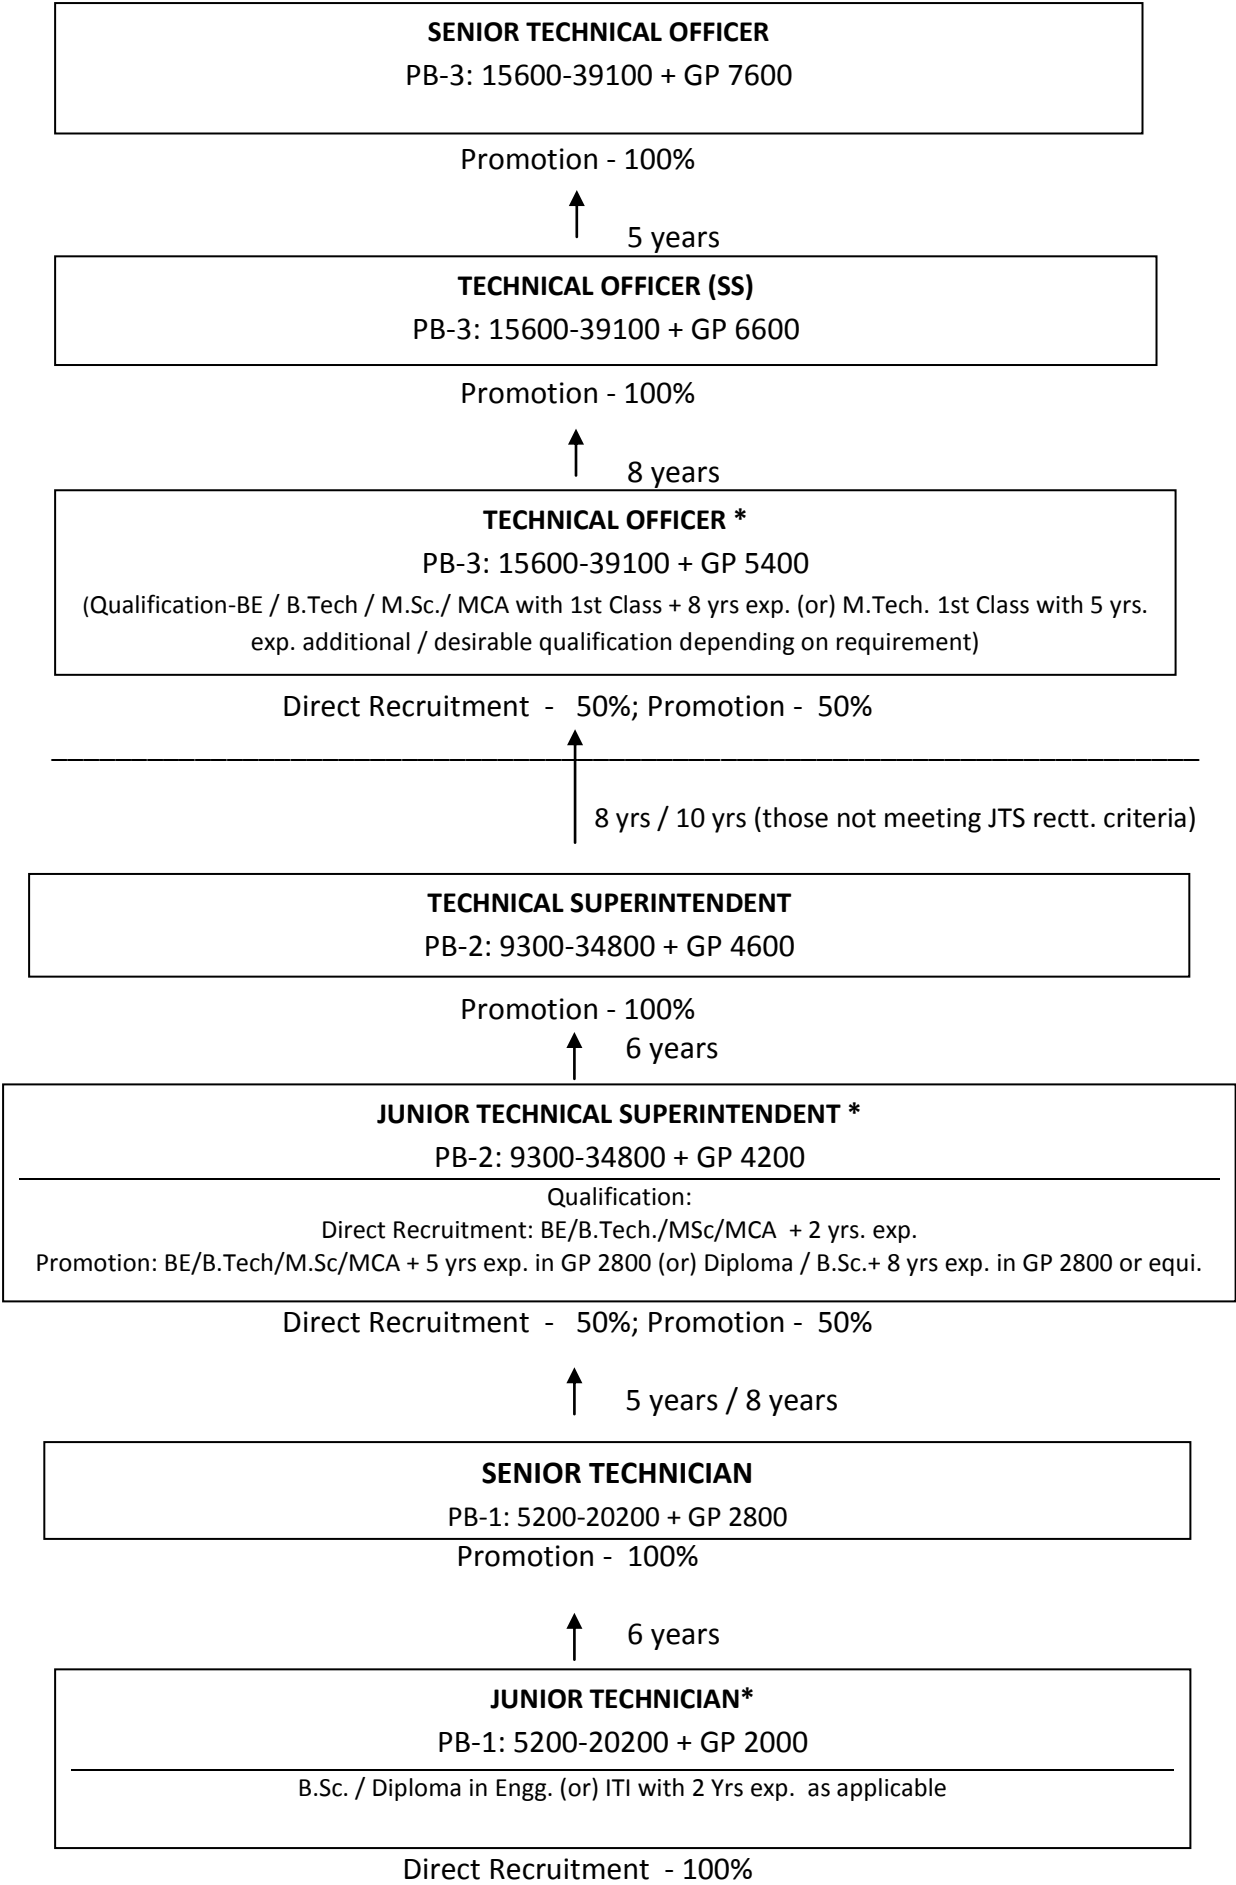

In light of this, I kindly request the competent authorities to reconsider the minimum educational qualification for the post of Technical officer in line with the provisions of RPN 2013.

Thank you.

Yours Sincerely,

H.Udhayakumar
